Change in Maintenance Renewal Upgrade Reminders

Black Ice Software will be discontinuing the quarterly maintenance renewal upgrade reminders. As of August 1st, customers will receive a newsletter notification each time a new version of the Printer Driver is available. This will allow our customers to up to date every time new features and fixes are available.

Free Upgrades and Priority Support

Don't forget to subscribe to future releases by purchasing maintenance. With an active maintenance subscription, you will receive all new releases of your software for free with your subscription! Also included with your Subscription is Priority email technical support. For more information call us at +1 (603) 882-7711 Extension 2, or sales@blackice.com.

As a special offer, if your Maintenance Subscription has expired or you did not include the Maintenance Subscription with your original purchase, simply mention this newsletter to renew or add Maintenance retroactively!
