Black Ice Software - May 12, 2015

## Printer Driver 14.33 is released!

**Automatically Upload printed documents to FTP!**

Black Ice Software has released the Printer Driver version 14.33 including **new capabilities to automatically upload every printed document to FTP!** With the new Upload to FTP feature, users can add automated task to upload documents to their document management system to simplify work-flow.

The new Upload to FTP feature **supports regular FTP and secure SFTP, FTPS, FTPES** connections, **Proxy** Sever connection with **Socks4, Socks4A, Socks5, HttpConnect** proxy server types and **Advanced configurations** such as deleting files after uploading, Overwrite/Rename already existing files on the FTP Server and detailed logging to let users and administrators track the uploaded documents.

The latest release of the Black Ice Printer Driver version 14.33 with Upload to FTP feature includes the capability to **store multiple FTP connections**, to let users preconfigure every needed FTP connection, and select the proper one before uploading.

Version 14.33 of the Black Ice Printer Driver includes **updated**

## Exclude Me

If you no longer wish to receive this email please click here.

**documentation** to let users take advantage of the new Upload to FTP feature.

**The complete list of improvements in the latest Black Ice Printer Driver include the following:**

- Added FTP upload feature
- Stability improvement for changing the Messaging Interface Name and ID using the API
- Added Email Sending Utility and SharePoint Uploading Utility .Net framework 4.0 version
- Added BIFTP .NET framework 4.0 to the Distribution folder of OEM Release Printer Driver
- Stability improvement for MSI installers for removing old printer drivers and installing new printer drivers (updating PDF dlls)
- Updated manuals

## Free Upgrades and Priority Support

Do not forget to subscribe to future releases by purchasing maintenance. With an active maintenance subscription, you will receive all new releases for free! Priority email technical support is also included in your subscription. For more information call us at +1 (603) 882-7711 Extension 2, or sales@blackice.com.

As a special offer, if your maintenance subscription has expired or you did not include the maintenance subscription in your original purchase, simply refer to this newsletter to renew or add maintenance retroactively!
