Print Documents To The Cloud with the Black Ice Printer Drivers!

PRINT DOCUMENTS TO THE *CLOUD*

ACCESS YOUR DOCUMENTS ANYWHERE ANYTIME!

10% discount for Printer Driver*
Coupon code: **gEMArt6**
Valid through Oct 31th 2019

Download the Printer Driver Now!

The Black Ice Printer Drivers' now have the ability to print documents directly to various popular cloud services such as **DropBox, Google Drive, OneDrive,** or even upload the documents to SharePoint, or to a website via HTTP!

Once the Black Ice Printer Driver is configured to print to a cloud service, **all users have to do is print their documents!**

The documents in the cloud can then be accessed from **any device at any time**. Taking advantage of the Printer Driver with a cloud service makes business processes more flexible and efficient and

allows for sharing documents between colleagues easier. Also having access to documents on-the-go can save both time and money.

The Black Ice Printer Drivers' also now have the capability to upload documents to **SharePoint**, send documents via **Email**, and upload documents to **FTP or HTTP** sites. These feature allows users to take advantage of all the popular solutions to transmit or upload documents.

Free Upgrades and Priority Support

Do not forget to subscribe to future releases by purchasing maintenance. With an active maintenance subscription, you will receive all new releases for free! Priority email technical support is also included in your subscription. For more information, call us at **+1 (561)-757-4107 Extension 3**, or sales@blackice.com.

As a special offer, if your maintenance subscription has expired or you did not include the maintenance subscription in your original purchase, simply refer to this newsletter to renew or add maintenance retroactively!

For license information, please visit our Customer License Management Portal.

*Only valid for new purchases, no upgrades or add-ons. This offer cannot be combined with any other discounts.
