Download the Printer Driver Now!

Dear [NAME],

Today, we're excited to introduce you to our groundbreaking OEM Printer Drivers – a solution meticulously crafted to seamlessly integrate into your company's applications, offering unparalleled efficiency without the burden of runtime costs or per-page charges.

 **Zero Runtime Costs:** Our OEM Printer Drivers redefine the landscape by eliminating runtime costs. Integrate our solution seamlessly into your applications without worrying about unexpected expenses. We're committed to providing you with a cost-effective solution that aligns with your budgetary goals.

 **No Per-Page Conversion Costs:** Transparency is key, and our OEM Printer Drivers deliver just that with no per-page conversion costs. Print a single page or a thousand; our consistent and predictable pricing ensures that you have full control over your printing expenses.

 **Advanced Features for Enhanced Productivity:** While cost efficiency is at the core, we haven't compromised on features. Our OEM Printer Drivers come equipped with advanced functionalities, including post-processing printing and OCR (Optical Character Recognition), designed to enhance your application's capabilities and elevate user experience.

 **Post Processing Printing:** Empower your users with the ability to customize and enhance printed materials within your application. Whether it's adding watermarks, uploading to a Database, or manipulating layouts, our post-processing printing feature offers unparalleled flexibility, putting you in complete control.

 **OCR (Optical Character Recognition):** Transform printed documents into editable and searchable files seamlessly within your application using our OCR feature. This advanced functionality opens up new avenues for document management and archiving, providing a more intelligent and efficient user experience.

 **Seamless Integration for a Smarter Future:** As technology evolves, so should your applications. By incorporating our OEM Printer Drivers, you're not just integrating a product; you're propelling your application into a smarter, more efficient future.

 **Contact Us Today:** Ready to enhance your application's printing capabilities with our OEM Printer Drivers? Connect with our team today to explore how we can tailor our solution to seamlessly integrate into your unique application needs. Your satisfaction is our commitment, and we're here to support your journey.

Thank you for considering Black Ice Software as your trusted partner in elevating your application's printing experience. We look forward to collaborating with you on this exciting venture.

Free Upgrades and Priority Support

Do not forget to subscribe to future releases by purchasing maintenance. With an active maintenance subscription, you will receive all new releases for free! Priority email technical support is also included in your subscription. For more information, call us at **+1 (561)-757-4107 Extension 3**, or sales@blackice.com.

As a special offer, if your maintenance subscription has expired or you did not include the maintenance subscription in your original purchase, simply refer to this newsletter to renew or add maintenance retroactively!

For license information, please visit our [Customer License Management Portal](#).

*Only valid for new purchases, no upgrades or add-ons. This offer cannot be combined with any other discounts.
