Black Ice Software - August 6, 2013

Printer Driver MSI Silent install Sample

Printer Driver 13.73 has been released with new **silent InstallShield Samples** and improved **silent MSI install Samples**

The Black Ice Printer Drivers version 13.73 API - Resource Tool Kit includes new InstallShield Samples which can be configured to install the printer driver **without any user interaction** in the background. This improved sample gives the developers far **more possibilities** to build user friendly installers which meets the modern requirements of software development.

Also, the Black Ice Printer Drivers version 13.73 API - Resource Tool Kit includes an **improved MSI Install Sample** which can provide more options to the developers and administrators to configure and build the silent installation.

The Black Ice Printer Driver documentation includes **detailed information** about the new and improved MSI Install Sample and InstallShield Sample to help the developers and administrators build and configure the installations.
