Black Ice Software - August 29, 2013

Upload to DropBox and Google Drive with a single click

The Black Ice Printer Driver can be configured to **upload automatically to DropBox or Google Drive** by configuring an Agent Printer. The Black Ice document converter printer drivers are installed with a Printer Manager utility, which can create Agent Printers from the installed Printer Driver for One Click upload of documents to DropBox or Google Drive.

Cloud storage is a model of networked enterprise storage where data is stored not on the user's computer, but in a virtualized pools of storage which are generally hosted by third parties.

Click here to read the Step-by-step description about how to configure the Agent Printer to [print automatically into the DropBox folder](#) or click here to read how to configure the Agent Printer to [print automatically into the Google Drive folder](#).

Free Upgrades and Priority Support
