# Black Ice Tiff Viewer

For Windows 11/10/8/7 (32 and 64bit)

The TIFF Viewer Pro allows users to view, print, OCR, annotate, search (and redact highlighted search matches) documents, scan, batch scan, email, and edit TIFF images, Faxes, medical Faxes through the standalone user interface. The Tiff Viewer can display Microsoft Office Document Imaging (MODI) annotations, OCR data, and WANG annotations.

The Pro edition of the TIFF Viewer includes PDF functionality that allows users to View, Print, Merge PDF, Fill PDF forms, OCR, and Search vector/editable PDF files.

Along with the Standalone application, the TIFF Viewer Pro includes a Browser Extension and a Web Application for Google Chrome/Microsoft Edge.

Some of the key features of the Tiff Viewer include:

- OCR faxes, sales receipts, mail or any kind of scanned documents.

- OCR, Search and Redact/Highlight search results in TIFF or Image PDF documents

- Search and Redact/Highlight search results in vector/editable PDF documents
